

Wakefield Stars Get New Honors

National honors have been given two Wakefield Senior High track aces. They are Tom Perkins and Charles Chalkley, both juniors at the school.

The two Warrior cindermen have been named as members of the National Five Star 100-Club. The Five Star Club is a track and field pentathalon of five events, that is conducted throughout the United States and tabulates the standings of each individual in the track field.

The Wakefield varsity track squad competed in the competition last spring, with the final results given shortly before Christmas.

In the standings, Tom Perkins ranked 45th nationwide, and Charles Chalkley 51st in the national tabulations.
